

March Madness! Day 2, Scourge of Knuth!

Matt Joyce

March 2, 2010

Figure 1: Yahoo Serious - Famed Actor, Singer, and Scientist

It is with great hope and perseverance that I have lived my life standing upon the shoulders of this titan amongst men. His glorious mane is a symbol of progress that all mankind is drawn to.¹ The red fire of his hair burns away any doubt that we the sons of humanity and yahoo serious are anything less than gods.

¹ $e = mc^2$ The formula for splitting the beer atom, was discovered by Yahoo Serious
